

Blank Paper

Music: Anindo Bose

Vocal Arrangement: Annette Philip

Lyrics: Ashish Ddavid

My current state of mind is that of a blank paper
Without purpose and without direction
Indifference has painted my life colourless
My existence... a reflecting mirror
Unmoved... unaffected
Like a tree swaying in the wind

Time is slipping away like sand through my fingers
I'm a cold stone statue in solitude
Drenched in darkness
Silent... senseless
Submitting to its own life sentence

My current state of mind is that of a blank paper
Without purpose and without direction
And I'm still here now
Waiting...
For a pen to touch me...
